The Omicron variant is spreading quickly.

A booster dose of the coronavirus (COVID-19) vaccine helps improve the protection you have from your first two doses of the vaccine.

It helps give you longer-term protection against getting seriously ill from COVID-19.

If you have any questions or concerns, call the dedicated free helpline on **0800 840 3858** or text **07890 036892**.
